Someone you love has been **diagnosed with cancer**... What do you do?

Your family is washed by feelings of fear and helplessness. You want **the best treatment** available; the **best care** available so that the person you love will have the **best chance** of living a complete, healthy and happy life.

Choc 'laCure was born from these personal experiences and is dedicated to **purchasing equipment for the treatment of cancer** at the Saskatoon Cancer Centre.

In 2007, **Choc 'laCure**, presented an exciting evening that raised **\$60,000** for the purchase of Model Based Segmentation software for the **Saskatoon Cancer Centre**. Radiation treatment technicians now have the tool they need to provide more precise, consistent, and time saving treatment. But, **here's the exciting part**... Time spent designing individual treatment has dropped from 3-4 days, down to mere hours.

Plans are currently underway to make **Choc'laCure 2008** even more successful. The date, **Friday, November 14th** has been chosen. Our goal this year is to raise \$100,000 for the purchase of a **Cone Beam CT Scanner**. This equipment will **improve the accuracy of radiation treatment** by tracking tumour changes throughout treatment of men, women and children at the **Saskatoon Cancer Centre**. Currently, two of the three units have this technology. With this purchase, all units will run at full capacity, **allowing more precise treatment to more patients**.

We invite you to **help make a difference** and become involved as a **Sponsor** of this unique charity event.

How can you help?

- ❖ **Donate directly** to the Choc 'laCure fund at one of four levels (Presenting Sponsor, Chocolate Supreme, Chocolate Delight, Chocolate Lover)
- ❖ **Underwrite services/products** used at the event
- ❖ **Donate Live or Silent Auction items** at any of the sponsorship levels
- ❖ **Sponsor a table** to be donated for use by the Saskatoon Cancer Centre (Chocolate Gift)
- ❖ **Purchase a table** or individual tickets (\$100/person -- \$800/table)

We hope to have your support!!! One of our committee members will be contacting you in the near future to discuss this opportunity.
